Regional Meeting

In January 2011 I shall be holding a Regional Meeting. It will be an informal get together with myself and Steve Love NDO to chat about Club and Instructor training within your club. There will be plenty of opportunity for you to tell me what you would like to see in your region and raise any issues that you may have. I shall be in touch nearer the day.

Your Vote Counts

As members of the SAA you can vote for any person within your club that you think has done something worth while for the SAA or your club. Speak to or email Irene at HQ and she will send you the application form. What better way to thank your members.
